A few words about the magazine

The Strasburg Heritage Society publishes **Strasburg Heritage** magazine twice a year for the benefit of Strasburg residents. Through the magazine, we aspire to promote a sense of community and pride in Strasburg by helping residents to discover and preserve the town's history.

The magazine is produced by volunteers, with publishing and distribution costs funded through advertising.

The magazine is distributed free of charge to all residences in the 17579 zip code, and to Heritage Society members. Contact us if you would like to subscribe.

Submit "snippets"

Perhaps you don't have a fully-formed idea for an article, but you know something interesting about Strasburg history. Contact us! We might be able to connect your "snippets" to other information, and use them to enhance or create an article.

Things you might submit:

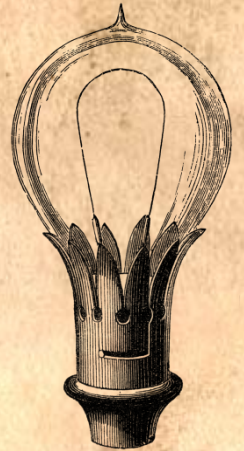

- Photos from any era. We can scan photos or slides, and will return the original photos to you.
- Strasburg memorabilia, such as antiques or ephemera. We will find a mutually convenient time and place to photograph and document the items.
- Family stories, diaries, and personal memories. If you like, we can interview you to capture your oral history in an audio recording.

Submit ideas for articles

Do you have an idea for an article, but don't feel that you can write it? Contact us! We'll get in touch with you, and if your idea seems useable, we'll have a writer work with you to turn it into an article.

Any idea is welcome, but the more supporting information you can provide, the more likely it is that your idea will turn into an article.

Since the magazine is produced by volunteers, your participation is highly valued!
